

DATASHEET

CTS ECONOMY TANK LEVEL ALARM

Specifications

- › An economical, entry level tank alarm solution if only one level alert is required
- › Can be used to indicate that the tank level has reached either a high or low state depending upon requirements
- › Battery powered for use on portable installations or sites where mains power is inaccessible
- › Flashing red LED & 90db alarm will sound to alert the user that the set level has been reached
- › Test & alarm mute functions
- › Weatherproof IP55 enclosure with 4 external mounting lugs
- › Simple operation means battery will last in excess of 72 hours in full alarm mode, making it ideal for sites not always manned
- › Version available with 5m diesel/oil probe and version without for use with other fluids
- › c/w 3 cut to size stickers to name the LED – 2 labelled high & low and 1 blank to name it something else with permanent marker
